Save Time, Money and Trees!

We can save time, money and trees by using the digital Sacramento Meeting Program app.

1. **Save Time** - We can save thousands of hours.
2. **Save Money** - We can save \$4.1 million per year!.
3. **Save the Planet** - We can save 5,136 trees per year!
4. **Save Lives** - We can even save lives based on the Church's COVID-19 response!

The Earth and Our Stewardship

The earth and all things on it are the creations of God (see [Genesis 1:1](#); [Moses 2:1](#); [John 1:10](#); [2 Nephi 2:14](#)). As beneficiaries of this divine creation, we should care for the earth, be wise stewards over it, and preserve it for future generations. The earth and all things on it are part of God's plan and should be used responsibly to sustain life (see [1 Nephi 17:36](#); [Moses 1:39](#); [Abraham 3:24-25](#)).

We all are stewards of the earth and want to do our part to protect the environment. We'd like to have your help. Please ask your family and friends to use the digital Sacramento Meeting Program
